

HOW TO GET A CERTIFIED BIRTH CERTIFICATE COPY

without getting cheated!

*VitalChek is an authorized portal to hundreds of government agencies nationwide, each of whom charge a fee for the birth certificate copy. These fees vary by municipality, but they are passed through to you without markup. VitalChek charges a minimal processing fee to expedite and securely process your online order. Additionally, you can select how quickly you need the certificate with the method of shipping, for which the cost is also passed along to you. Due to these variables, the cost and speed of arrival varies, but is typically what is shown here. Because the cost and speed of arrival is unique for each certificate order depending upon the selections made, this infographic is intended to be representative only.
